

Brad Walden

Managing Director

Securities & Guaranteed Loan Markets

In this dynamic market, every portfolio is unique, and every client deserves unparalleled attention to achieve the results they deserve. At Coastal Securities, Inc., we are committed to the principle that *the client comes first*.

The partnership between an investor and broker should be built on trust, respect and communication. With this in mind, I strive to bring value to my clients by coupling my insight with the analytical expertise and support that Coastal provides.
