

Jeannie Hughes

Managing Director

Securities & Guaranteed Loan Markets

Ms. Hughes received a Bachelor of Science degree in Economics from Texas A&M University. A native Texan, she has been a NASD licensed institutional securities broker since 1992. She also maintains a Texas Real Estate Brokers License. Prior to joining Coastal Securities, Jeannie was a financial analyst in the oil and gas industry. She is a specialist in U.S. Small Business Administration loans and securities, corporate bonds, and mortgage backed securities. She is responsible for identifying and fulfilling institutional investment portfolio objectives of the institutional investor.

She has consistently been recognized as a top producer for Coastal Securities, receiving many awards for special achievements. In addition, Ms. Hughes has passed Level I of the Chartered Financial Analyst program through AIMR (Association of Investment Management and Research).
