Justin Dodson

First Vice President

Securities & Guaranteed Loan Markets

Through my endeavors I learned the importance of commitment, motivation, loyalty and honesty as the most significant traits of successful, positive people.

My promise to each and every client, family, friend or stranger is to treat them with the utmost respect while I address their *Personal Needs, Concerns, Opinions, and Problems as My Own*.

Try not to be a man of success, but rather to be a man of value.

-Albert Einstein
