

Tony Sekaly

Managing Director

Fixed Income Securities

Tony Sekaly began his career in the securities industry in 1993 as an institutional fixed income securities broker. Prior to joining Coastal, Tony's securities career expanded to include public finance banking and municipal underwriting. In 2000, Tony joined Coastal Securities to focus primarily on his institutional clients on the investment side of the business. He works closely with clients to identify objectives and actively participates in formulating investment recommendations; ensuring clients receive the highest level of commitment and service.

Prior to entering into the securities industry, Tony was employed by a major utility provider as an analyst for revenue enhancement.

Tony is a member of GFOAT, GTOT, GFOAW and the Gulf Coast Chapter of GFOAT. He has spoken at the annual GTOT conference on the topic of "Investing in the Current Times" for the past 4 years. His clients consist of public funds, banks, credit unions, money managers, fund managers and others.

Tony holds a MBA from the University of St. Thomas in Houston and a BBA from Lamar University in Beaumont. He holds FINRA Series 7 and 63 registrations.
